Oberlin grad honored

Shane Elwood, a 1993 graduate of Decatur Community High School, has been named "Employee of the Month" by Reno County Youth Services.

He is a stand-by worker at the youth shelter and a correctional officer at the Juvenile Detention Center in Hutchinson. His duties include supervising youths during their daily activities, including chores and community service.

A behavioral science major at Sterling College, he said he appreciates his major because it has taught him how to observe and understand the patterns behind human behavior. He credits his college education with giving him a vision of how positive thinking and positive living can affect a person's life. He said he hopes to pass this vision on to the kids he works with.

He said he enjoys his work because it is exciting for him to see kids making progress in their decision-making.

"It is nice just to be able to help

someone out, even if it is just one person," he said.

The son of Mike and Jacque Elwood of Oberlin, Shane plans to continue to do youth work for the time being and possibly work in a clinical setting some day. He has worked with troubled youth for about 18 months and previously was involved in little league coaching.
