Jennings athletes to play with Hoxie

The Jennings Coyotes are becoming Indians this year, as the boys head to Hoxie to play football.

The Prairie Heights football program has been scrapped because there were too few students. However, those who want to play football will get their chance, said Superintendent Dave DuBois. They'll just have to travel further every day.

On Monday, a school vehicle was to start running from Jennings through Allison and down to Hoxie for practice each day.

While the football boys are working out down south, the girls volleyball team will keep up the spirit at home with matches in Jennings. There should be eight girls out for volleyball this year, coached by Vickie Schmitz.

Junior high students interested in football and volleyball will be able to join the Oberlin Red Devils,

whose practices also were to start on Monday. They will also be given transportation to practice.

Prairie Heights is planning to field both boys and girls basketball teams this winter for the high school, said Mr. DuBois, but will probably work out a cooperative agreement for the junior high students to join other squads.

Golfers attend tourney

Eight Oberlin youngsters qualified to attend the championship tournament for the Northwest Kansas Junior Golf Assoc. in Colby at the end of July and one came home with first place.

Kade Brown took first in the 8-9-year-old division, shooting a 41. This was his sixth first-place finish in a row.

Garrett Berry shot a 57; Zach May, 63, and Ryan May, 79. Jordan Tally shot a 75 for the 12-13-year-olds.

On the 18-hole course, Breck Simonsson hit a 96 and Jobey Black 100 for the 14-15-year-olds. Jonathan Richards had a 93 in the 16-17-year-old division.

Earlier in the season, Brown took first with a 42 and Zach May shot a 75 in Goodland.

In Oakley the golfers, Z. May's 57 earned him third place in Oakley.
