 State Representative  
 120th District

I've served as your State Representative the past 8 years and it has been a privilege and an honor.

I take this responsibility very seriously. My voting record reflects my core beliefs in family and fiscal responsibility as well as my support for local Western Kansas Schools. It's my belief that we have some of the strongest schools in the state and it will be my goal to continue to protect them from cuts in revenue.

Whoever is elected on November 2nd will vote on issues that will affect every person in the 120th District.

Use your vote to support the candidate that best represents you and can give you the best representation. I believe I am the best choice, and I hope you do too.
