## Exhibit to feature shack

"Whispers from the Walls: The Art of Whitfield Lovell" will be on display from Friday through Sept. 18 at the Dane G. Hansen Memorial Museum in Logan.

The piece mixes found objects, photographs, wall drawings and sound to re-create African-American life in the south of the 1920s. The

centerpiece is a one-room shack which includes personal effects and charcoal drawings of human forms.

Mr. Lovell started the project after a series of deaths in his family. The tragedies sparked an interest in exploring his family history and in collecting old photographs found in flea markets and antique stores.
