## Corrections

The Yesteryear column in the Oct. 19 issue of *The Oberlin Herald* told of the arrival of twins announced by Roy Bainter of Dresden. It stated the name of the girl was Velda Jean. It should have been Della Jean. This was due to incorrect information printed in the original copy in the 1930 issue of the newspaper.

## WEATHER

### Decatur County Weather-- Oct 25<sup>th</sup> - Oct 29<sup>th</sup>

Tue	Wed	Thu	Fri	Sat

Normal High: 63  
Normal Low: 35

Sunset: 6:44 to 6:49 P.M.

October rain and mild temperatures have our fall wheat crop looking good. Drier weather the next 10 to 15 days will help area farmers finish fall harvest and get their cattle worked. High temperatures will be in the 60's with lows in the 30's through that period. The next chance for precipitation will be after Halloween. Will it be our first snow? Computer models still call for a warm and dry winter.
