Corrections

The summer baseball and softball standings in the Wednesday, June 21, edition of *The Oberlin Herald* incorrectly listed Ward Drug's Little League team record at 0-3. It should have been 1-2. In Girls Bantam league, Salem Graphics' record was reported incorrectly as 2-2. The correct record was 3-1. These were the reporter's errors.

A ridge of high pressure over the High Plains will lead to dry conditions and seasonal temperatures the rest of the week. If we do see any storms they will be isolated Tuesday night and Wednesday. This dry period will allow for wheat harvesting to finish up. Over the weekend and heading into the 4th of July holiday a trough of low pressure will bring storms back into the area and increase humidity.
