80% of your child's learning occurs through their eyes.

With the school year approaching, it's important to make sure your child's learning won't be held back by vision disorders or deficiencies.

At Lifetime Eyecare, our comprehensive, Back-to-School Examination will make sure your child learns at his or her peak visual performance.

That means testing how the eyes work together at different distances. Checking muscle balance, eye movement, eye-hand coordination, color vision, depth perception and visual field.

For your child's best school performance, make sure your child is operating at his or her best visual performance. Call Lifetime Eyecare today to arrange a comprehensive Back-to-School Examination.
