Cards of Thanks

Dear friends and students, since my accident, you have surrounded me with kindness. Thank you. Each card, flower, visit, prayer and phone call made my day a little brighter. I cherish each one. Thank you also for all the food brought to the house. It was a tremendous help and very much appreciated. Thank you also to the Fredricksons for taking such good care of the boys. You have made your home a second home for them, and I can never thank you enough. To

Duane, Carol, and Sheila, thank you for taking care of my mess. You three always seem to have to clean up after me. I value your friendship. To the Selden EMT's, thank you for your quick and professional response. And to Tammy, a very special EMT, thank you for holding my hand and taking such good care of me. God must have a special place for angels like you. When the closest family lives over 200 miles away, friends and neighbors become family, and so, to all of you, thank you for everything you've done for me.

Brenda Breth

A special thanks to those who called, visited, sent cards and the many caring things.
