Cards of Thanks

I wish to thank my family and friends who helped celebrate my 30th Birthday. The cards, gifts and good time were greatly appreciated.

Amanda Grafel*

I want to express my deepest thank you to the people of Oberlin for the love and support that was shown to us last Saturday when we arrived to hold the inurnment service for our mother, Beryl Orthmann. My family and I had a small window of opportunity to travel to Kansas to finalize our mother's burial. She passed away nearly one year ago in November and unfortunately time travels faster than we can control. But when I e-mailed Joy Votapka that we were coming home in 3 days, she

jumped on the wagon and rallied Mom's friends to put together a picnic to celebrate her life. Joy has and always will be a phenomenal woman who loves life and finds "joy" in her family and friends. She and the local women put together a spur of the moment picnic at the Oberlin park that was held Saturday afternoon when the inurnment service was over. Many dear friends attended and offered their love and friendship and fond memories of Beryl.

Cindy Hilliard

A big thank you to family and friends, for the cards and calls, who helped me celebrate my birthday.

Keith Sauvage

A big thanks you to the Fire Departments and to all those who helped put out our pasture fire several weeks ago.
