POLICE BLOTTER
The Oberlin Police Department worked these calls last week:

• Around 11:13 p.m. Saturday, Sappa Valley Youth Ranch reported a boy missing. Patrolman Scott Zeigler found the youth about 8:30 a.m. on Sunday and he was taken to juvenile detention in WaKeeney.

• At 9:54 p.m., officers from the police department and Decatur County Sheriff's Department were called to the ranch after a youth tried to leave one house and go to another one. The staff tried to restrain the boy and the situation escalated from there.

Police Chief Wade Lockhart said there was damage to one of the houses and a fire extinguisher was set off inside the house.

Some of the young men were outside the houses when officers arrived, although none of them ran.

The officers stayed at the ranch for 2 1/2 hours until things calmed down, the chief said.

• Received a report of a stolen Kenwood am/fm car stereo which was taken out of an unlocked vehicle belonging to Shane Bird sometime between 1 a.m. and 8 a.m. on Saturday. The vehicle was parked in the 200 block of East Maple. The stereo was valued at \$300.

Correction

Due to an error in scoring, the first Pigskin Pick'em contest in the Sept. 6 edition of *The Oberlin Herald* had incorrect information.

The Hoxie Indians downed the Colby Eagles 26-15 but the paper had the scores reversed. That error changed the number of correct guesses on all entries for the first week of the contest.

The new winners are Gary Anderson, Oberlin, first; Brock Baxter, Smith Center, second; and Jeff Reinert, Atwood, third. All other

entries were corrected up or down to correct the year-end totals. The mistake was ours.

WEATHER

Decatur County Weather --- September 12 - 16

Tue	Wed	Thu	Fri	Sat
78/50	83/52	85/54	83/52	85/54

Normal High: 78
Normal Low: 50
Sunrise: 7:20 to 7:24am
Sunset: 7:49 to 7:56pm

We will see a brief warm spell of this week and for the most part it looks dry too. This will allow for a round of field work before the wheat planting begins. The past few weeks of wet and cool weather have been a welcomed blessing for the pastures and fall crops that made through the dry July weather. The next 7-10 days looks typical for this time of year with highs in the mid to upper 70's, lows around 50 and chances for rain every 3 to 4 days.
