Scholarships available

The Fort Hays State University Endowment Association has received a \$25,000 distribution from the estate of Lucille Wright, Peoria, Ariz., a 1928 graduate of the university, to create a scholarship fund. Scholarships will be awarded each year to students in the College of Education and Technology who demonstrate outstanding academic achievement and financial need, starting with the 2008-2009 academic school year. "This gift will not only be a wonderful assistance to many students in the future, but will be a great tribute to Ms. Wright and her belief in higher education," said Ruth Heffel, director of planned giving. The association is an independent, nonprofit corporation designated by the state to receive gifts on behalf of Fort Hays State.
