*Price based on national average price point per gallon of \$2.725 for regular unleaded gasoline for the week of 10/17/2005, as published by the U.S. Energy Information Administration. 16-cents per gallon calculation is based on the 6% rebate offered for the first 60 days the account is open. Thereafter the maximum rebate will be 3% which would equate to 8-cents per gallon based on the average of \$2.725.
