

Club shares spirit

By KAITLYN GILLESPIE
The Kayettes have been busy gearing up for the Christmas season. On Tuesday, Dec. 12, club members tied ribbons on candy canes to give to residents at the Good Samaritan and Cedar Living centers. They also enjoyed a gift exchange. Kayettes will also be celebrating Christmas with the elementary students. On Friday the group will go to the elementary school after lunch and sing Christmas carols in the gym with the first through sixth graders. A few weeks ago, the Kayettes also asked people to put small gifts and items in shoe boxes for underprivileged children, a project called Operation Christmas Child. When asked what she thinks about doing the service projects, recreational leader Lauren Fortin said, "It is nice to do something for the community and visit the elderly."

Family needed for Rotary student

The Oberlin Rotary Club needs a temporary home for a 16-year-old boy from David, Panama, as part of a student exchange. Your family will have the option to send your student to high school in David, Panama, for six weeks during the summer months. If anyone is interested in hosting a male student from Panama, please contact Principal Charles Haag at (785) 475-2231 or Herschel Betts at 475-2155.

Yearbooks available to give as holiday gifts

Thanks to a generous contribution, the yearbook staff has 2005-2006 yearbooks to give away. If you know of someone who would like a yearbook or if you would like to give a yearbook for Christmas, contact Brenda Breth at (785) 475-2231. "A donor, who would like to remain anonymous, believes that everyone should have a yearbook," said Mrs. Breth. "I hope that anyone who hasn't gotten a 2006 yearbook will contact me."

Student Council members will get trip

By HEATHER WILLIAMS
Six student council members are being given the chance of a lifetime — a week-long trip to Washington, D.C. This is the sixth year for the annual trip, a gift to the school from Heidi and John Lesinski. Heidi is a Decatur Community High graduate. Student council officers automatically get the opportunity to go on the trip if they want to. Other student council members have to ap-

ply. The applications are looked at by a panel of faculty members. Everyone who gets to go is very excited, and honored to get this great opportunity. This year there are four girls and two boys going; Lacey Ream, Jennifer Ploussard, Kenzie Fisher, Heather Williams, Kurt Olson, and Seth Ritter. Sponsors for the students this year will be Greg and Mary Lohofener. This year's crew will be leaving

for Kansas City the afternoon of March 18, and will fly out of the Kansas City airport Monday morning and spend their spring break with the Lesinskis in the Washington, D.C., area. They will fly back to Kansas on March 24, then drive home that day.

Monday - Friday: No school, winter vacation

Fundraiser planned

By LAUREN FORTIN
The yearbook staff is planning its third annual 3-Point Club and Pin Club to help raise money for the yearbook. Sponsors pledge a certain amount of money for every pin and 3-point basket that a varsity wrestler or basketball player makes. Pledges range from 5 cents to 50 cents, or some people just give a flat donation. At the end of the season we tally up all the 3-pointers or pins, and multiply that number by the amount of each pledge. Last year the yearbook staff raised nearly \$800 with this project.
