Card of Thanks

I would like to take a short moment out of a fast pace world to thank everyone who has supported and stood by my side in my times of trials and tribulations. No need to name names, there are so many, and everyone knows who they are! I love and respect each and every one of you and I am proud to say you are my friends. Especially to my wonderful loving girls. I am so sorry for what you have endured through your young lives, be strong. I love you kids unconditionally. Dad. Always remember everyone, it is not our place to judge others, and also there's always two sides to every story! Be true to yourself, love yourself, this will allow

you to love all others and forgive people for things they have done!

Sincerely,
Elton Gillespie Jr.*

Thank you to everyone who remembered me with cards, phone calls, e-mails, flowers and prayers during my recovery from surgery in Denver. I was never out of touch with "home". A special thank you to my daughter and her family for their wonderful care. God's blessings to each of you.

Fern Jording*

Thanks a bunch to all the fine folks who helped me remember that years roll by rapidly. The cards, phone calls, visits and food were all greatly appreciated.

Rachel Wurm

Thanks to the Doctors and nurses for their fine care. Thanks for the many prayers, cards, visits, phone calls, and gifts. May God Bless you all.

Helena Bruggeman*

"Hemorrhoids? Here's what my doctor recommended."

When I first heard about Hemcure - the painless non-surgical hemorrhoid cure - I was skeptical.

So I asked my family doctor about it. He said Hemcure was a treatment method performed by M.D.'s that would solve my hemorrhoid problem, instead of just treating the symptoms.

I decided to go ahead with it, and you know what? Hemcure really worked, without disrupting my schedule. And my insurance covered it. If you have hemorrhoids, don't suffer. Do yourself a favor and call to find out more.
