

Dear Dad....

I want my dad to win is because he is a nice dad. His name is Dave Green. A lot of people like him. the reason I like him is he seems to always have time to help people. Like when he isn't helping one of his customers at work he is helping me with a problem or a project.

We do a lot of fun projects together. When ever he does a project I usually help him and we both usually end up having a great time and getting a lot done. My Dad and I do fun projects together all the time.

Another reason I like him is because when ever I have a problem he always tries to help. He is a very caring person and he cares about me and my family.

The reason I think he should get the dinner is because he is the best Dad ever and he always likes to eat in the LandMark Inn.

My name is Brittany Urban and I am nominating my dad (Terry Urban), because he is the coolest dad in the world. The reason why he is really cool is, because he gets me things that he knows I want. Like one he got me two movies for Christmas. They were Broth Beat 2 and Ice Age the Melt Down. He gets up at 5:00 and leaves to go to work at 5:30. Sometimes he gets me up so I can take a shower or something like that. My dad gets home and goes to town between 4 and 5:00. When he gets to town he picks me up from my grandmas house. When it is my Birthday he takes me out to eat. He lets me pick the place. He has a great sence of humor and a funny sence of stile. My dad is an only parent, so I think that he should be the parent of the year, because he works not only as a dad but mom as well!!

I think my dad should be Father of the Year because he helps me study for my tests. He lets me play video games and watch TV a lot! Almost every day he cooks all the meals with my mom for me, my brother Luke, and my sister Melody. Sometimes he makes my favorite food, hotdog pizza! I think he would make a great Father of the Year.

My Dad Richard

I nominate my dad, Richard because he feeds us and other people too. He is a farmer and works really hard. He likes hunting. On our wall we have 2 deer, 1 turkey, 2 pheasants, a snake, and 1 bobcat. We own a hunting lodge and he helps keep the lodge running. Dad helps me with 4_h with my steers and calves. He keeps our house warm in the winter and cool in the summer. He plants crops and then harvest them. Dad is very loved.

Dad - Roland

I think that my dad deserves to be "Father of the Year" because he helps me in my 4-H projects such as cattle and dog training. he cheers me on in sports and helps me improve in sports, too. He helps me on homework (when needed) and helps me study for tests. He loves and care for me, provides a home for me and good to eat. He also takes me to the highway every morning to the bus when we are running storm routes. I love him even if he is not picked for "Father of the Year." He is "Father of the Year" in my life.

Hi,

My name is Jamie. My dad is a very cool dad. he helps people if they are in a car crash or if they need help fixing a car or an air conditioner, or picking up trash.

My dad should be nominated because he is really important to me and tries to make our like more fun! He loans me money when I need to get more food.

He is making a play set behind our house in case we get bored or if we have our friends over.
