My dad works hard to get money for shelter, bills, food and water. He doesn't forget about me, and he buys me stuff. My dad has fun. He is smart and he is good at math. My dad makes me feel safe. He is cool and he is awesome. He helps me on homework or anything that I need help on. He is there for me. The thing that matters most is that he loves my sisters and me. We love him too. that is why my dad is "Dad of the Year" to me.

My father should be Father of the Year because:

he is nice
he gives me discipline
he takes me golfing
AND
HE IS VERY NICE!!

I LOVE DAD!

His name is Kevin Brown.

My name is Kelly Brown.

My dad is the best Dad ever because he helps me with my homework. He works out at the farm for me, helps me out with girls, encourages me to do my best and he's always there for me. If this doesn't win I'll still love my dad, but please let my paper win!

Hi,

I think my dad should be Father of the Year because he does a lot of work for our family and all of his friends. My dad, Maury Zodrow is a very nice person and he's sweet. I LOVE my daddy. My dad is the best. I think my dad is the most wonderful, loving, nicest, kindest, and most thoughtful dad in the world. I also think my dad should win because he does so much work he serves to win.

My dad should be Dad of the Year because he helps farmers with their equipment. my dad is a mechanic. My dad in the summer works really hard and sometimes he doesn't come back home for a long time and even sometimes

I have to spend the night at my grandma's house.

My dad goes to every concert I have at school and supports me in every way he can and if I was in basketball he would cheer me in every way.

My mom and dad are remarkable people. They're not just loving and caring they're positive role models. My dad teaches me how to cook and work on the pickup. They both are very loving. My parents both will play catch and sometimes basketball. This is why I think they should be Mother or Father of the Year.

My Dad Richard

I nominate my dad because he helps us with activities like getting ready for the fair. he also takes us to fun places. He takes care of a farm sometimes he lets us drive the tractor. He takes care of all of us. Also he supports us with our sports. That's why I nominate my dad as father of the year.
