

Dear Dad....

My dad is a great dad. Dad is a D.V.M. which stands for doctor of veterinary medicine. He is the boss of the clinic. Well, part of it, Marks owns half of it. My dad is 35 years old. His birthday is May 21st. My dad is a father of 2. Alexis and I. The reason why I think my dad is a great dad is because he cares about me and he helps me. My dad likes to play games, do puzzles, work hard. He also like to have fun. But don't and I mean don't ask him for a walk. I learn a lot from my dad and I hope I learn more from my dad. I love my dad.

I think my Dad should be Father of the Year because he is the nicest Dad. He gives me what I want for my birthday and Christmas. Every day when he get s em up I give him a hug and he says I have the best hugs. He loves me very much.

I nominate my Dad for Dad of the Year be-

cause he is a really good Dad. He gets up every morning to take me and my siblings to school with a broken ankle when my mom has to work. He also helps me and my sister with our homework when we need help. That is why I think my Dad should be Dad of the Year.

My dad and I have a lot in common and have similar opinions. So he always knows what to say when I'm discouraged because my favorite team lost in basketball. He also helps me with homework when I need it, (like it helps!) My dad helps me in sports and tells me what I'm doing wrong and helps me get better. That is why I think my dad should be nominated for Father of the Year.

I nominate my dad Ryan Fortin for Dad of the Year because he plays basketball, football, baseball, and PS2 with me. He also comes to most of my sports. He has a good sense of humor and helps me with my homework. And that is why I nominate my Dad for Dad of the Year.

Sincerely,

I think my dad should be Father of the Year because he is kind, caring, and always does what he thinks is right. My dad is really fun. He helps

me with my sports, homework, and pretty much anything. He deserves Father of the Year because he balances work, discipline, bills, attending my sister's and my ac activities, and always being there for us. He makes time for us if we need anything. He does his best in everything he does, and he is the best dad ever, that's why he serves to be Father of the Year.

My dad is roger Carlisle and I feel that my dad should be Father of the Year because he helps keep people safe on the roads. He works for the Kansas Department of Transportation. My dad works long hours and is called out to clean roads during the winter months when we have snowstorms. I feel that my dad doesn't get the recognition he deserves out on the roads. At times his job is stressful and risky, especially when he is called out during a blizzard to clean the roads for everyone's safety. During those times my Mom and I worry about him.

My dad takes time out of his busy schedule to help me and spend time with me. We enjoy the time we spend together by working on cars, lawnmowers, and four wheelers. Also, my dad and I like to shoot clays together. Dad has me hop in the pickup and we go for drives so we can talk about things or how each other's day went.

I feel my dad should be Father of the Year because of the sacrifices he makes.
