

Dear Dad....

My Dad is so nice. He helps me with my homework all of the time. When I leave my homework at home he brings it in even though I live 14 1/2 miles west of town.

He organizes birthday parties for me. He takes me around to events and he helps me sell cookies. He is nice, kind, and caring.

My dad supports me in sports such as basketball, volleyball and track. He teaches me how to play basketball.

He also taught me how to drive. He buys and works with my bucket calf and cows. He helps me with other 4-H projects too.

My Dad should be father of the Year because he always helps me when I need help. He helps me when I have trouble with my homework. He always takes care of me. Sometimes he grounds me and he says, "Taylor you will thank me in the long run" ad I usually do. When my little sister gets scared in storms my Dad says everything will be all right and you will be okay. My

Dad is really cool that is why my Dad should be Father of the Year,

I love my Dad! He takes me golfing, plays basketball with me, and does other activities alongside of me. He is very active in doing activities with me. My dad helps me succeed in every activity. If I have questions about my homework, he helps me do it because he is very smart. I nominate my Dad, Kevin Brown because he is the best Dad ever!
