WEATHER

Decatur County Weather - October 23rd - 27th

Tue	Wed	Thu	Fri	Sat
65/38	60/38	58/36	65/38	68/40

Normal High: 60
Normal Low: 32
Sunrise: 8:00 to 8:05am
Sunset: 6:47 to 6:52pm

Most years we will have seen our first hard freeze by October 25th, but this year we may have to wait until November. This is a good indication that temperatures will remain warmer than normal through December. Other than an outside chance for some sneak in rain showers from the east tomorrow and Thursday the period will be dry through Halloween. We can also expect breezy conditions today and more cloud coverage the next couple of days.
