**Culligan**  
better water. pure and simple.™

A new Culligan® water softener with Aqua-Sensor® technology regenerates only when needed. That can equal up to two tons less salt over the life of your softener. And less salt means more savings. Your money stays in your wallet, where it belongs. Experience the difference Culligan can make. Visit us at [CULLIGAN.com](http://CULLIGAN.com).

Limited time offer. Not valid with other offers. Offers and participation may vary. ©2007 Culligan International Co. \*Savings are calculated using a metered water softener, under varying conditions, as a comparison.
