

Skin specialist coming

Danielle Leitner, daughter of Rocky and Teresa Diederich of Oberlin, a professional esthetician, plans to be at Diederich's Salon and Day Spa next week.

A graduate of Decatur Community High School, Mrs. Leitner said esthetics is a new direction the beauty industry is taking, and many are unfamiliar with the field. She said estheticians are devoted to the health and beauty of the skin. They enhance and correct the beauty and

health of the skin through the application of products using numerous techniques and working with the structure and acidity of skin.

She said that her mother got her interested in the field of esthetics when she bought into a product line called BioElements. Mrs. Leitner is licensed in Kansas and Colorado and plans to give treatments one week out of each month in Oberlin.

For details, call Mrs. Leitner at (785) 475-3525.

900 The ~~800~~ pound Gorilla

Just got a whole lot bigger!

That's right. The Gorilla has been growing. Already the biggest and most effective advertising medium in the Tri-State Region, **The Country Advocate** has been adding readers all year.

No more 800-pound weakling. Now **The Advocate** is the 900-pound gorilla of Northwest Kansas advertising!

First, **The Advocate** added nearly 1,550 new home-delivered households in Sherman County with readers of the all-

new, all-local *Goodland Star-News*.

Then, the Gorilla picked up 1,750 new home-delivered households in Norton County when *The Norton Telegram* joined the club.

When you need to sell something, find something or notify someone, the Gorilla is your best friend. Reaching 18,200 households with nearly 42,000 readers across northwest Kansas and eastern Colorado, the Gorilla packs a punch. It can move your

refrigerator or your old car. A house? No problem for the Gorilla. And all at rates that save you money.

And **The Advocate** is nearly all home delivered. Some "shoppers" count on people picking them up at the filling station. It's cheap, but it can't compare to home delivery reaching nearly every house in the area.

Just try it! The Gorilla will work hard for you. Call today with your ad.
