### Welder

Midwest Energy, Inc., an electric and natural gas utility serving 42,000 gas customers in 32 counties in Northwest Kansas, is seeking a qualified individual who can perform various types of welding. The position is located in Colby, KS. This individual must be capable of making electric arc welds on gas piping under the APR 1104 Welding of Pipeline and Related Facilities. The individual must demonstrate the aptitude and ability to pass all Company certification requirement tests, and will be required to complete the Company qualification training program. Two or more years experience at this trade is preferred. A degree associated with a technology emphasis in metals may be substituted for experience. Please submit an application by March 7, 2008.
