Rexford News

By Vicki Allison

After a threat of a tornado a couple of weeks ago and the high winds and snow last week the City of Rexford wants to make it known and to remind the community of the Emergency Shelter established at the Rexford Community Church. Last February a switch was installed at the church so a generator could be hooked up during a power outage. A generator has been provided and is ready to be used for this purpose.

The City of Rexford has been working on establishing and printing a city ordinance and the use of 4-wheelers. The next monthly meeting will be at 7 p.m. Wednesday, May 14.

The sidewalk along Kansas and Maple has been replaced and is a welcome improvement to the neighborhood.

Golden Plains Community Outreach will meet at the home of Evelyn Johnson at 7 p.m. on Wednesday, May 7. Individuals interested in working and improving the community are invited to attend and discuss ideas.

On Thursday at 7 p.m., a High School and Middle School talent show will be held. There will be vocal and instrumental talent shared, as well as a few comedy acts. Prior to the show, an Ice Cream Social will begin at 5:30 p.m. followed by the Sophomore Class Auction.

Leaving our small community, Steve and Teri Allen will be moving to Kentucky and Jennifer Scott and Paula McDaniel have moved to

Washington.
