Tomorrow is the day, Smick Field is the place and everything is in readiness for the big Turkey Day game between Norton and Oberlin. Neither of these teams has suffered a defeat this season but the scores against opposing teams would indicate that Norton is the stronger team. Activity tickets and physician's passes will be honored at the gate but "D" sweaters will not admit to the game.

membrance of you, always in every prayer of mine making request for you all with joy. Philippians 1:3-4 In preparation for Thanksgiving,

we had many opportunities to reflect on the abundant blessings God pours out on us daily. In our conversations about thankfulness, the Rockathon was nearly always mentioned and for a variety of reasons.

Doris Marintzer was thankful for her sore knee, because it reminded her of the day of rocking. She said, "It hurts, but it is getting better... I'm ready to rock again." Others mentioned the great satisfaction of being able to help the community. Some were in awe of the amount that was raised. The entertainment was praised, as well as the tremendous support of friends, family and complete strangers. Jeanette Conway was especially tickled to see "Sassy," a very friendly German Shorthair dog come in with a donation attached to her collar. Jeanette spent the day in her wheelchair that was placed on a rocking base. She was thankful that it was made available to her so she could fully participate. So many were touched by this event and we want to again say thank you! We are truly blessed by God to live in such a wonderful community as Oberlin!

Other Thanksgiving activities included Emma Sanford, Lora Zwickle, Opal Bryan, Nadine Anderson, Faye Miller, Alice Bobbitt, Amy Rehm and Evelyn Olson gathering to make Beaded Indian Corn pins to wear or give as gifts. If you were here anytime last week you probably saw someone proudly wearing one.

During Social Hour, some ladies lingered to hear the Legend of Squanto read and learn the history of Thanksgiving.

Linda Hollowell helped Doris Marintzer bake cookies to take to her family's celebration. She, Shirley Hayward, Mary Lemman, Opal Bryan and Violet Schissler all spent the holiday at the homes of

and higher, you could hear Lora Zwickle say, "Okay, everyone be still, don't say another word." Opal Bryan was our referee, making sure we didn't make a word with a letter that wasn't in Thanksgiving. At the very end of the game she said "aging" wasn't allowed, because the proper spelling was "AGEING". This was a dilemma, because we would have to replace the word... and we didn't think we were able at a 115. Several teachers in the group were consulted, each with a differing opinion. A dictionary was summoned and we learned that either spelling was acceptable! Lora was surely relieved!

Our prayers go out to the little boy, Dawson Brown, 6, and his family. Dawson was injured and taken by helicopter to the Kearney hospital after he suffered damage to his mouth and jaw when he was caught on a piece of rebar. He is recuperating in the intensive care unit at Good Samaritan Hospital in Kearney, Neb.

On Nov. 18, the District Superintendent met with a few Lyle people for Charge Conference. He brought words of encouragement and had communion. He then admired the quilting and received a small quilt

There seems to be quite a bit of sickness in the neighborhood this week. Kathy Van Meter and June Jolly missed the Senior Citizens get-together. They both came to help with the Prairieland Foods but were not feeling well. Both are better this week.

Wood visitors have been Carol Moye and Kyle; A.J., Teilia and Aubrey High; Wade, Emily, Maria and Garrett Bader; and Grant Slater.

On Sunday evening, Nov. 23, Dorothy Ward took Bee Nelson, Margaret Magers and Veda Wood to Oberlin to attend the Community Thanksgiving Service in St. Mark's Church on the grounds of the Decatur County Museum. The church has been renovated and looks very nice. It was sponsored by the Decatur County Ministerial Association, and was a beautiful service. To top it off, there was a potluck supper held in the old Bohemian Hall. I over did things and had two pieces of pie, which was a little shocking to my companions; but I never had much of a "figger" to begin with, so not too much harm done. I had to have pumpkin pie, and Beth's pineapple coconut pie was scrumptious and irresistible - and I did it and I'm glad, and thankful!

Richard Engelhardt went to Denver on Sunday for an appointment on Monday, but planned to be back for a Thanksgiving dinner on Thursday. Margaret "Toots" Magers family will have their dinner at the Community building.
