Maverick Drilling, LLC

Maverick Drilling, LLC recently began operations to provide contract drilling services to the state of Kansas and northern Oklahoma. Maverick Drilling President Jack Goss said the company will operate one rig in central Kansas and the second in the southern part of the state. They also have plans to roll out one or two additional rigs as market conditions allow over the coming months. According to Jack, Maverick Drilling's investor group feels that the worst of the recent decline in the oil and gas business is behind us and that significant upside potential will again exist for quality service companies in the business. Maverick Drilling's corporate office is located in Wichita in the Center Point office building at 100 S. Main Ste. 440. For quotes Jack may be reached at 316-262-6700 voice, 316-262-6706 fax, and 316-295-9646 cellular, also by email at jackg@mavdrilgks.com. Maverick look's forward to providing quality drilling services to the oil and gas operators of Kansas.
