Reduced Price and Free School Meals are Available

Unified School District 294 Oberlin announces its participation in the Child Nutrition Programs administered by the Kansas State Department of Education. Local school officials have adopted the following household income guidelines for determining eligibility for Child Nutrition Program benefits.

INCOME ELIGIBILITY GUIDELINES, SCHOOL YEAR 2009-2010

Household Size	Free Benefits	Reduced Price Benefits
1	\$ 14,079	\$20,036
2	18,941	26,955
3	23,803	33,874
4	28,665	40,793
5	33,527	47,712
6	38,389	54,631
7	43,251	61,550
8	48,113	68,469
For each additional household member add	+4,862	+6,919

Application forms and an informational letter to households are available from the school district or private school. Additional copies are available at the principal's business office in each school. Applications may be submitted at any time during the year. An application for reduced price or free Child Nutrition Program benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions.

Households receiving Food Assistance/Food Stamps or Temporary Assistance to Families (TAF) will be notified that their children will be provided free benefits unless the household notifies the school that it chooses to decline benefits. Households receiving assistance under these programs should submit an application only if they are not notified of their eligibility by a specified date determined by the school. If a household receiving Food Assistance/Food Stamps, TAF, or Food Distribution Program on Indian Reservations (FDPIR), completes an application, the children's names, the Food Assistance/Food Stamp, TAF or FDPIR case number, and the signature of an adult household member must be provided.

Participants in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) may be eligible for reduced price or free benefits. Households with WIC participants should complete an application as described above.

Households with children who are enrolled in the Head Start/Even Start Program or the Migrant Education Program or who are considered homeless or runaway by the school district's homeless liaison should contact the school for assistance in receiving benefits.

Foster children may be eligible for reduced price or free benefits regardless of the income of the household with whom they reside. Contact the school for more information on how to complete the application for a foster child.

Households not receiving Food Assistance/Food Stamps, TAF, or FDPIR apply for benefits by completing one application for all children in the household. The application must list names of everyone in the household, the amount of income each household member now receives, source of income, the Social Security number of the household member who signs the application or a statement that the household member does not possess one, and the signature of an adult household member certifying that the information provided is correct. The information is confidential and will be used only for the purpose of determining eligibility. The eligibility status may be verified at any time during the school year by school or other program officials.

Under provisions of the reduced price and free benefit policy, the Determining Official will review applications and determine eligibility. Parents or guardians who are dissatisfied with the ruling of the official may wish to discuss the decision with the Determining Official on an informal basis. Parents wishing to make a formal appeal may make a request either orally or in writing for a hearing on the decision. The Hearing Official is:

Duane L. Dorshorst, 131 E. Commercial, Oberlin, KS 67749 785-475-3805

If a household member becomes unemployed or if household size changes, the household should contact the school. Such changes may make the child(ren) in the household eligible for reduced price or free benefits if the household income falls at or below the levels shown above.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.
