GREEN MOUNTAIN GRILLS

The Green Mountain Pellet Grill has 400 or 600 square inches of BBQ cooking space, perfect for cookouts and parties of all sizes. The peaked lid lets you cook a turkey or a beer-can chicken without the cover touching it. You can also cook pizza, bread, vegetables, a pot roast, stew, casseroles, or virtually anything you would cook in an oven or on any other type of barbecue grill. The high-tech coating process allows for easy cleaning and durability.
