**Experience Counts**

- ✓ 110 years in the Cattle Business
- ✓ 65 years in the Angus Business
- ✓ 10 years in the Charolais Business

In 1900, Frank Stielow, Sr. started in the cattle business on a home-stead claim in Paradise Township, Russell County, Kansas, to provide a better living for his family.  
In 2010, Bar S Ranch supplies Angus and Charolais breeding stock to cattlemen and women so they can provide a better living for their families.  
For 110 years, we have observed the cattle industry fads, but our focus has remained quite simply **Functional - Profitable** commercial cattle.
