Highly skilled gastric specialists... within reach.

Nagib Toubia, MD Mark Milone, MD

If you're over 50, you should know two things: first, the American Cancer Society recommends that you begin colorectal cancer and polyp screenings at age 50, and second, two world-class gastroenterologists are right here at Good Samaritan.

The gastroenterologists at Good Samaritan Specialists, Doctors Nagib Toubia and Mark Milone, treat everything from your mouth and esophagus to your stomach, liver, bowels and colon.

In addition to medical school, gastroenterologists complete a gastroenterology fellowship, as well as an internal medicine residency. That's exactly why you can trust them for routine colonoscopy screenings to the only endoscopic ultrasound procedures available between Lincoln and Denver.

If you need specialized care, you'll find it here... within reach.
