PUBLIC NOTICE  
(Published in The Oberlin Herald, Wednesday, June 2, 9, 2010) 2t  
PUBLIC NOTICE  
TO ALL RESIDENTS OF DECATUR COUNTY  
The Office of Decatur County Emergency Management along with E-Fm Consulting, LLC will be conducting the 1st Public Meeting for discussion and input on the Decatur County Hazard Mitigation Plan. The County and incorporated areas are developing Local Hazard Mitigation Plans per the requirements of the Disaster Mitigation Act of 2000 and guidance of the Kansas Division of Emergency Management.  
The Natural Hazard Mitigation Plan will guide local activity to reduce risk and prevent loss from natural hazards such as tornadoes, wildfires, floods, hail and severe weather. The intent of the plan is to:  
Identify natural hazards impacting the community;  
Describe risk and vulnerability to the community;  
Describe mitigation actions and goals associated with the prioritized vulnerabilities;  
Describe how the community will maintain its plan in the future.  
YOU ARE INVITED to learn more, participate, and comment at this public meeting concerning the development of a Natural Hazard Mitigation Plan. Members of the Planning Committee and our consultant will be present to answer questions, receive public input and information, and address public commentary.  
When complete, the new plan will meet the requirements of the Disaster Mitigation Act of 2000. Under this Act and related legislation, states, communities, and tribal governments must complete FEMA-approved plans to be eligible for certain federal assistance programs. These assistance programs provide communities with pre- and post-disaster funds to implement mitigation projects.  
The current draft plan can be viewed at the County Clerk's Office in (Oberlin). The draft will be located on the table at office entrance.  
TIME: 7:00 p.m.
