Decatur Community High School Anthem

*Nestled in the Sappa Valley
lies our county seat
Here is found our dear old high
school,
where young people meet
Meet that they may get a blessing,
Also learn to bless,
By the strengths obtained in learning
At D.C.H.S.*

*We are proud of Old Decatur
And our county school,
For the years passed here in study
Will the future rule.
Some may win, 'tis true without it,
But we make a guess
That they lose by not attending
At D.C.H.S.*

*Then, hurrah for Alma Mater
May she live and grow
'Til a hundred thousand classes
From her portals go.
Then in future on life's pathway
May we meet success.
And review our happy school days
At D.C.H.S.*
