Cards of Thanks

I would like to thank everyone for the

cards, phone calls and best wishes for my 80th birthday. Also thanks for attending the open house.
Melvin Smalberger*

We wish to give a tremendous thanks to Melvin Martin, Dan Castle, and Ron Solko for pulling out all the stops and fixing the blown transformer down at the museum that went out right before our son's wedding reception at the Bohemian Hall. Thanks to them, the power was up just in time for the music and dancing and sunset. We are lucky to have such a great city crew in our town!
The Hollars Family and all the extended family and guests*

Our sincere thanks to all the firemen, EMTs, neighbors for the help with machinery to fight the fire and other volunteers. All was greatly appreciated.
Millard Kyte, Sara and Austin*

We want to thank our local firefighters and firefighters from surrounding counties who saved our farm during the terrible fire Tuesday. It was a miracle they were able to save all the homes in the path of the fire with no one being seriously hurt; God was with us all so thanks also to our EMTs; all the farmers with their water tanks who checked on the farms throughout the afternoon and evening to keep everything under control; relatives, friends, neighbors, and volunteers for their concern and help; Mike Coleman for rescuing our dog; Jay and Becky Tate for the use of their gas generated camper; and Dakota Tate who helped us put out embers in the windbreak and farmyard throughout the evening and early morning hours. Among the many blessings we have to be thankful for is our tight knit community which bands us together in time of need.
John and Dianne Bremer, Jessica Bremer

The Martin and Marvin May families thank all who called or came to offer help during and after our fire. We thank those who brought food and water when we were without electricity and water. A special thanks to those who brought

graders, disks, water trucks, spades and whatever. Especially do we thank the Oberlin Fire Department, some of which spent most of the night trying to keep the fires under control. It's great to see the number of area Fire Departments that came to help. All were such a great and dedicated group of caring people.

I sincerely appreciate all the volunteer firefighters and neighbors who came out last Wednesday night to fight my pasture fire. I am grateful for the quick response and the hard work of our whole community, especially because most of you had already fought several fires that

same day. Thank you!
Roger Holmdahl

I wish to express my appreciation and gratitude to the Decatur County Rural Fire Department and the other adjoining fire departments who controlled the recent grass fire we experienced. The growth and total extent of the fire was greatly reduced due to the assistance of Dan, Jim, Tom, Nolan Wasson, Kevin and Orrin Holle by providing their tractors and equipment. All the other volunteers who hauled water is also very important and appreciated
Steve Brown*

Thank you to all Fire Departments, EMS, all neighbors and community that helped on the Tuesday and Saturday fires and all the support since given to our family. God blessed us all to keep us all safe.
