NOTICE

On Thursday, July 5, the Mayor of Oberlin declared a Stage 2 Water Warning due to the continuing drought and the lowered water level in our city water wells. The regulation actions of a Stage 2 Water Warning are

as follows:

Regulation Actions An odd/even lawn watering system is imposed on water

consumers. Residents with odd-numbered addresses will water on Tuesday, Thursday and Saturday; even addresses will water on Wednesday, Friday and Sunday. A rotation system for non-resident water consumers will be developed by the City Administrator. Outdoor water use, including lawn watering and car

washing will be restricted to from 12:01 AM to 10:00 AM, and from 9:00 PM to midnight. Refilling of private swimming pools will be allowed one

day a week after sunset.

Emergency water rates may be imposed.

Waste of water is prohibited. Rationing until further notice. **Emergency haying** and grazing allowed

cut hay or graze animals on Conservation Reserve Program land under a federal emergency order that went into effect Monday for 91 Kansas

Diane Barrett, Decatur County executive director for the U.S. Farm Service Agency, said the order was authorized by State Executive Director Adrian J. Polansky, in counties across the state affected by the drought, including Decatur The agency's state committee

used its authority for counties listed as in severe and extreme drought designations on U.S. Drought Monitor map, she said.
