

# Decatur Health Systems

By Becky Wilson

At the beginning of the month, I always like to look at the calendar to see what's coming up. Turning the page to March showed me quite a bit to prepare for in the next few weeks.

The first event that we're really excited about is the Decatur Health Systems Employee Appreciation Banquet on Friday, March 15, at The Gateway. We'll get together to celebrate the anniversaries of people who've worked here for several years, and to thank everyone who works here for their efforts day in and day out to provide this community with high-quality care. We're aiming for a casual, fun night—some silly games, some nice stories and ample room to enjoy some time with each other's families.

The next event on the list is the American Red Cross Blood Drive from 1 to 7 p.m. Tuesday, March 19, at The Gateway. Blood is an ever-present need, and the people who take time out of their day to donate blood are definitely to be thanked. Whether you're an old hand at donating or you've never given blood before, it's not too early to make an appointment. Call (800) RED-CROSS to arrange your time.

Then Monday, March 25, will be Spring Fling Appreciation Day. Everyone is welcome to come by the hospital starting at 2 p.m. to enjoy a "chocoloholic extravaganza." It's also going to be an open house for our physicians, Dr. Robert Rosin and Dr. Allen Hooper, and our new chief executive, Johnathan Owens.

If you haven't had a chance to meet the newest additions to our medical community, or if you want a chance to renew an old friendship with the doctors, please join us.

After the adults enjoy their chocolate, there'll be candy for the kids at the Cedar Living Center's Easter Egg Hunt at 7 p.m. Tuesday, March 26. I don't know who has more fun at these egg hunts, the residents or the children, but it's good to see so

many people having a good time.

Winding up the month with National Doctor Day on March 30, which is a wonderful note to end the month with because at that point we'll be so close to having Dr. Hooper here full-time that you could reach out and touch it. We're all very excited to have both him and Dr. Rosin on the staff. It's a great way to end an event-filled March.

## Lyle News

By Veda Wood

Larry Van Otterloo, the township maintainer man, scooped out the city of Lyle; the snow around the community building etc. on Thursday. It's so good to be able to depend on friends for help. Tom Baker was scooping my driveway when someone came and helped finish it. Thank you, whoever it was. Then I got stuck anyway, not being able to back straight. We still have snow on the ground, and a lot of it on this block.

Kathy Van Meter and Lloyd Frandsen went to the appreciation supper by the Hometown Agency Insurance on Monday. Tuesday, they visited Lloyd's sister, Ruth, at Beaver City Manor. On Saturday, they brought Toots Magers to Norcat to the Wentz appreciation supper.

Tracey Pershing took her grandmother to church at Lyle on Sunday and joined in the community dinner. Jane Engelhardt shared a beautiful carrot cake which her mother had

made for her birthday. Thirteen people enjoyed the potluck dinner.

On March 31, we will have our annual Easter Sunrise Service, held on the east side of the Lyle Church if the weather is fit. Otherwise it will be in the Community Building, and will be followed by breakfast.

June Jolly has finished a quilt and is starting another along with her cards and bingo. She ate Sunday dinner with Laveda McFarland.

Joyce Sumner has been making small quilts and plans to take them to the Norton Hospital.

Happy Birthday to my sister, Sheryl Patterson on March 9, to Tracey Pershing, March 12, and a belated Happy Birthday to Tielia High, which was Saturday.

A good pancake supper was held at the Norcatour Educational Building Sunday evening. I was privileged to sit by Inez and Charles Keller. He will be bringing the Easter message at Lyle on Easter Sunday.
