## Corrections

A guest opinion piece on Page 5A of the April 24 edition of *The Oberlin Herald* was missing the name of the author. The piece on the cost of expanding Medicaid in Kansas was written by James Franko of the Kansas Policy Institute. Mr. Franco can be reached at (316) 634-0281. The mistake was a makeup error. ☆☆☆☆  
 A story about this year's Fourth of July celebration on Page 1A of the Wednesday, April 24, issue of *The Oberlin Herald* incorrectly stated that Mike Dempewolf was a firefighter. He is not a firefighter, but has held a license to shoot fireworks for many years. This was an editing error. ☆☆☆☆  
 The Oberlin Herald will correct or clarify any mistake or misunderstanding in a news story. Please call our office at 475-2206 to report errors. We believe that news stories should be fair and factual, and appreciate your calling to our attention any failure to live up to this standard.
