For Kansas farmers and ranchers, the start of summer includes green grass, newborn calves and hard work to produce safe, nutritious and wholesome beef for consumers around the world. With 6.3 million cattle on ranches and farms in the state, Kansas is regarded as the center of beef cattle country, and Gov. Sam Brownback

recently declared May as the 27th annual Kansas Beef Month. More than 30,000 beef producers from across the state invite families to celebrate Kansas Beef Month by enjoying a mouthwatering steak from the grill.
